

Here We Go!

2017-18 VIP Contractor Program

Welcome back VIPs!

The **Lochinvar VIP Contractor program** is back, and Lochinvar is happy to be able to offer rewards to the very people who make their products work and look as good as they intended!

AND...this year the **NOBLE Fire Tube Combi** is an eligible product in the program!

Lochinvar has also implemented a tiered approach to the VISA Prepaid reward cards. The tiers will be structured like this:

\$25 for every eligible Knight boiler, \$15 for each Noble, Cadet, and Solution product registered and \$10 for every Squire Indirect Water Heater.

You can find the [complete Official Rules here](#).

Visit www.lochinvarvip.com to find out all the details about this year's VIP Contractor Program!
